

## ORAL & POSTER PRESENTATION AWARDS

## ABSTRACT SUBMISSION RULES

V YOUNG  
RESEARCHERS  
MEETING  
14- 15 November 2022

### AIM OF THE CONVOCATORY

This event aims to recognize excellence in research as manifested in oral and poster presentations, encouraging the development of basic and translational research in the fields of oncology and rare diseases.

### REQUIREMENTS FOR APPLICANTS

The call is open to both predoctoral and postdoctoral (no more than 5 years from PhD) researchers who belong to a CIBERONC/CIBERER group.

Participants who are not part of CIBERONC/CIBERER should include in the email the head of their group (who must be a CIBERONC/CIBERER member).

### ABSTRACT SELECTION PROCESS

The CIBERONC Organizing Committee will make the selection of abstracts for oral and poster presentations by **October 14th 2022**. Participants will receive an email with the committee decision on the abstract and further instructions on the presentation format (if selected).

The best predoctoral and postdoctoral abstracts from each TOPIC will be selected for oral presentation. Up to 5 abstracts from each TOPIC will be selected for poster presentation.

Please note that if the abstract is accepted for oral or poster presentation, the assistance of the presenting author is **mandatory**.

### BEST ORAL AND POSTER PRESENTATION AWARD

The selected researchers from each TOPIC will be able to present their work during the V Young Researchers Meeting, participating in the contest for the best oral (predoctoral and postdoctoral) and poster presentation.

### ABSTRACT SUBMISSION PROCEDURE

Abstracts should be done following the template provided and must be sent by email to [info@ciberonc.es](mailto:info@ciberonc.es) by not later than **September 11<sup>th</sup>, 2022 (included)** in word format indicating in the mail subject the information detailed in the present ABSTRACT SUBMISSION FORM.
