

14th November

14:00h - Registration

15:00h - Welcome

- **Anna Bigas Salvans.** Scientific Director of CIBERONC
- **Nuria Malats.** Training and Mobility Program Co-coordinator of CIBERONC
- **Ángel Carracedo.** Scientific Committee Member and Translational Genomic Medicine Programme Coordinator of CIBERER

15:30 - Plenary lecture (CIBERER)

- Chairs: Sonia Domínguez and Laura Sánchez
- **Ángel Carracedo.** *Personalised medicine: Challenges and hopes*

16:30 - Oral presentations: Machine learning and experimental models

- Chairs: Luis Galán and Laura Sánchez
- **Presenter.** To be determined
 - **Presenter.** To be determined

17:00 - Coffee Break

17:30 - Round Table: Experimental Models

- Chairs: Sara Crespo and Sonia Domínguez
- **M^a Teresa Rodrigo.** Head of Animalary at University of Barcelona
 - **Davide Cirillo.** Head of the Machine Learning for Biomedical Research Unit at BSC
 - **Meritxell Rovira.** Principal Investigator, Regenerative Medicine Program of IDIBELL

18:30 - Oral presentations: Tools for molecular diagnostics

- Chairs: Sara Crespo and Rubén Giménez
- **Presenter.** To be determined
 - **Presenter.** To be determined

19:00 - Closing remarks

Chairs: Sara Crespo and Rubén Giménez

19:05 - Poster party session and networking

15th November

08:45 - Welcome

Chairs: Rubén Giménez and Susana Torres

09:00 - Oral presentations: Tumour microenvironment

- Chairs: Rubén Giménez and Susana Torres
- **Presenter.** To be determined
 - **Presenter.** To be determined

09:30 - Plenary lecture (CIBERONC)

- Chairs: Marta Bort and Rubén Giménez
- **Sonia Guedán.** To be determined

10:30 - Oral presentations: Molecular bases of diseases

- Chairs: Marta Bort and Sonia Domínguez
- **Presenter.** To be determined
 - **Presenter.** To be determined

11:00 - Coffee Break

11:30 - Oral presentations: New therapeutic approaches

- Chairs: Marta Bort and Laura Sánchez
- **Presenter.** To be determined
 - **Presenter.** To be determined

12:00 - Special session: Future career orientation

- Chair: Luis Galán
- **Manolo Castellano.** *Carreras Científicas Alternativas: abriendo la mente para contribuir a la sociedad*

15th November

12:45 - Round Table: Different paths after PhD

- Chairs: Luis Galán and Susana Torres
- **Manolo Castellano.** Recruiter I+D+i and Headhunter
 - **Alfredo Gimenez-Cassina.** Associate Editor at Nature Metabolism
 - **Irene Rius.** Medical Science Liaison at Seagen
 - **Jorge Barbazan.** Associate Scientist at NASASBIOTECH SL. and Translational Oncology Research Scientist

13:30 - Oral presentations: Biomarkers

- Chairs: Sara Crespo and Susana Torres
- **Presenter.** To be determined
 - **Presenter.** To be determined

14:00 - Lunch

15:00 - Social event

Kahoot about the oral communications open to everyone coming in person to the event.

15:45 - Awards

Prizes at the best predoctoral and postdoctoral communication and the best poster presentation.

16:00 - Closings Remarks

- **Gema Moreno Bueno.** Training and Mobility Programme Coordinator of CIBERONC
- **Luis Pérez-Jurado.** Training and Mobility Programme Coordinator of CIBERER
